

NOTICE TO MARINERS

Lowestoft Bascule Bridge Channel – Diving Activities

UTC ☐ BST ☒

Mariners and Port Users are advised that dive inspection activities are scheduled to take place on the Bridge abutments, North and South sides, at Lowestoft Bascule Bridge.

Dive activity is scheduled to take place today 10th October, between approx. 1000hrs and 1400hrs. Divers will mobilise from the quayside using mobile ladder. Divers will monitor VHF Channel 14 – call sign 'Red 7 Divers'.

Area of Dive Activity

Dive activity will be suspended for larger vessel transits/Bridge openings. For small vessel transits the diver will need to move to a safe area. Vessels permitted to pass through the Bridge Channel are requested to transit at slow speed to minimise vessel wash. Lowestoft Port Control will co-ordinate vessel movements according

Please contact Lowestoft Port Control, VHF Ch14, Tel. 01502 572286 (Option 3) if further information is required.
