### NOTICE to MARINERS 010 of 2024

#### River Wyre / Dock Channel latest soundings.

**Mariners are hereby advised** that the recent Hydrographic Survey of the River Wyre and Dock Channel has now been published and is available to view at the Marina Office and on the Fleetwood Beacon Marina Website.

[Navigational Info | Beacon Marina Collection \(beaconmarinas.co.uk\)](https://beaconmarinas.co.uk)

It should be noted that due to the wandering nature of the Dock channel, Buoy No24, whilst in its assigned position as charted on official UKHO Navigational Charts, now lies to the Northern edge of the deep water channel.

Mariners are hereby advised to navigate the area with caution and make suitable adjustment to their passage plans.

**For any further information please contact Fleetwood dock on VHF Ch 12 or Tel 01253 872351.**
