*USV*

The USV will be transiting to/from a survey area off the Suffolk coast. Frequency of port visits expected to be approx. weekly, subject to weather and other operational requirements.

*Survey Area*

The USV will mobilise from RNSYC basin (Outer Harbour), then transit Lowestoft approaches. Support craft 'Predator' will escort the USV for transits in the Harbour and in the close approaches to the port, monitoring VHF Ch14.

Mariners are requested to afford the USV a wide berth providing it is safe and practicable to do so, and to minimise vessel wash when passing.

Please contact Lowestoft Port Control, VHF Ch14, Tel. 01502 572286 (Option 3) if further information is required.
