UTC BST

Mariners and Port-Users are advised that Diving Activity is scheduled to be undertaken on the North and South Pier Structures at Lowestoft Harbour entrance on Monday 3rd and Tues 4th February.

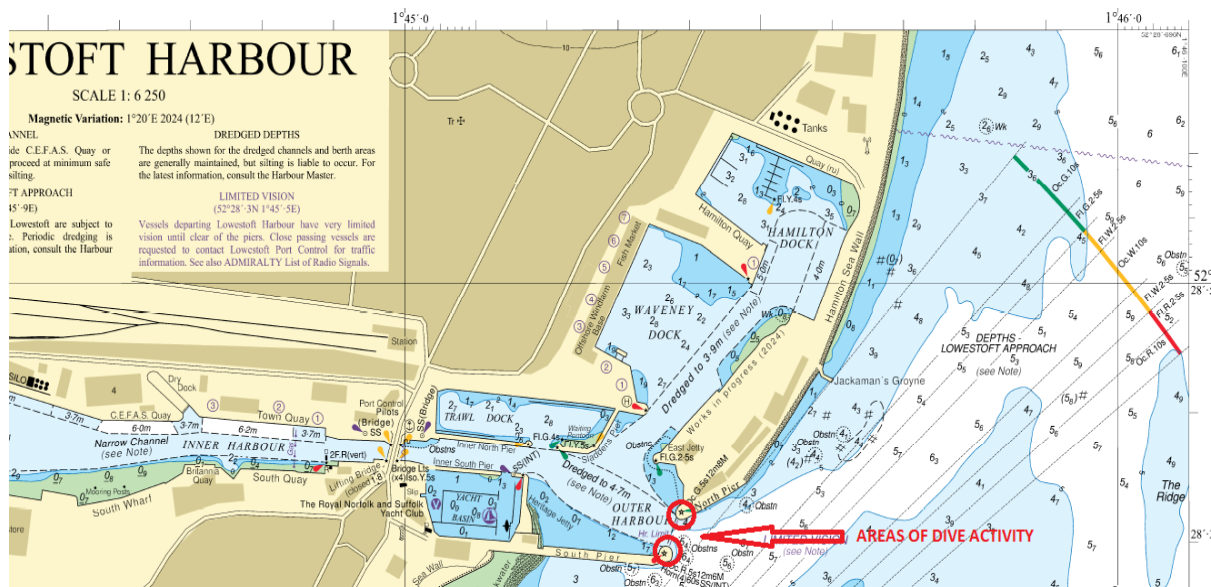

Diving is expected to take place as follows:-

Mon 3rd – South Pier between approx. 10:30hrs and 13:00hrs.

Tues 4th – North Pier between approx. 11:00hrs and 13:30hrs.

If weather delayed, activities may also be undertaken on Wednesday 5th, between approx. 12:00hrs and 1430hrs.

Activity will be from Quayside (South Pier), and a small Rigid Inflatable craft (North Pier). Divers will monitor VHF Ch14 and will use call sign ‘Red 7 Divers’.

Area of Diving Activity

Diving Activity will be signified by flag ‘Alpha’. Diving will need to be suspended to accommodate large commercial vessel movements. Smaller commercial vessels, fishing vessels and leisure craft transits may be permitted – all movements will be co-ordinated by Lowestoft Port Control.

All vessels are requested to provide the Dive area a wide berth and pass at slow speed to minimise vessel wash.

Please contact Lowestoft Port Control, VHF Ch14, Tel. 01502 572286 (Option 3) if further information is required.
