HOT WORK PERMISSION

Vessel Owners, Masters and Agents are reminded of the requirement to apply for a request for permission to carry out Hot Work on board a vessel/ship or on adjacent quay/berth before any such works are commenced. This is to be completed on the attached form and must be signed and stamped by vessel Master.

The request must then be faxed to Orwell Navigation Services (ONS) on 01473 230915 for Permission to be Granted/Denied.
