

## **PORT OF FLEETWOOD**

### **NOTICE to MARINERS 05 of 2025**

**Mariners are hereby advised that:**

Notice is hereby given that, on 29<sup>th</sup> and 30<sup>th</sup> of July, 2025 ( Tuesday and Wednesday ), both swing bridges within the port will be out of commission due to essential maintenance being carried out, on both bridges, between the hours of 08:00 and 17:00 on both days.

Vessels will not be able to manoeuvre through the dock, to or from sea, during the above period.

However, vessels of a suitable air draft, which can safely navigate under the bridges while closed, will still be allowed access to, and egress from, the port unhindered.

The Port of Fleetwood apologises for any inconvenience caused.
