

## NOTICE TO MARINERS

### Lowestoft Outer Harbour – Bridge Channel South Side – Fendering Works

UTC ☐ BST ☒

Mariners and Port Users are advised that essential fender refurbishment works will be undertaken in Lowestoft Outer Harbour, on the South side of the Bascule Bridge Approach Channel. Initial works will be to remove old fender sections from the quay structure.

Fender removal works commencing from 11:00hrs today 22<sup>nd</sup> May, continuing until 18:00hrs Friday 23<sup>rd</sup> May. Area as indicated below.

Works will be undertaken from workboat 'Talisker'. The vessel will monitor VHF Ch14 throughout. Small vessels will be permitted to pass the works area, but are requested to keep speed to minimum for safe navigation to prevent vessel wash. Talisker will move from the bridge channel to accommodate large commercial vessel transits.

Please contact Lowestoft Port Control, VHF Ch14, Tel. 01502 572286 (Option 3) if further information is required.
