NOTICE TO MARINERS No 008 of 2022

FLEETWOOD MARINA – **MINIMUM SAFE SPEED**

MARINERS ARE ADVISED to proceed in the Marina at a minimum safe speed to maintain steerage, with minimum wash when transiting the Wyre Dock and Fish Dock. Caution should be exercised when berthing to avoid heavy contact with the pontoon system.

All mariners are also reminded of the requirement to contact Fleetwood dock on vhf channel 12 prior to moving within the Marina so they can be advised of other vessel movements.
