

NOTICE TO MARINERS

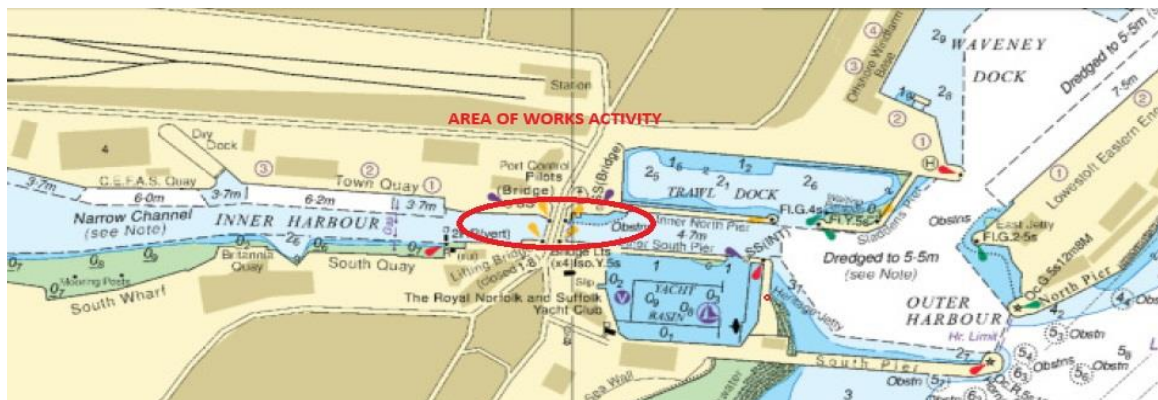

Lowestoft Bascule Bridge Channel – Fender Panel Repairs

UTC BST

Mariners and Port Users are advised that fender panel repairs are scheduled for Wed 15th April, commencing approx. 0800hrs. Work will be on the Bascule Bridge Abutment South side of the Bridge Channel.

Works will be undertaken from a small pontoon, supported by a work boat. The work boat will be monitoring VHF Channel 14.

Small craft will be permitted to transit past the works site but are requested to pass at slow speed to minimise vessel wash. Works will be temporarily suspended, and the pontoon moved clear, to allow the transit of larger commercial vessels. Area of works show below.

This notice self-cancels 1800hrs 15/04/26.

Please contact Lowestoft Port Control, VHF Ch14, Tel. 01502 572286 (Option 3) if further information is required.
